Output Quiz 2

The screenshot shows the phpMyAdmin web interface. The left sidebar displays a database structure with 'ibik\_pw\_laravel' selected, containing tables like 'biodata', 'failed\_jobs', 'migrations', 'password\_resets', 'personal\_access\_tokens', 'products', 'student', and 'users'. The main panel shows the 'biodata' table with a SQL query 'SELECT \* FROM `biodata`' and two rows of data. Below the table, there are options to print, copy to clipboard, export, display chart, and create view. The bottom status bar shows the URL 'localhost/phpmyadmin/index.php?route=/sql&pos=0&db=ibik\_pw\_laravel&table=biodata'.
